

## West Winch Primary School

### Pay Policy 2018

#### Introduction

The Governing Body of West Winch Primary School recognises that pay is of considerable importance in managing staff. Pay will influence relationships at work and, if pay is to be a positive rather than negative force, it is important to secure as much agreement as possible about its aims and to reduce the amount of misunderstanding that surrounds it.

For these, and other statutory reasons, the following pay policy was adopted by the Governing Body in the autumn term 2018.

The adoption of this pay policy by the governing body ensures compliance with the statutory requirement for the school to have a pay policy in place. The policy sets out how the governing body will assess the salary of a new member of staff on appointment and how salaries will be reviewed.

The aim of the policy is to:

- *Maximise the quality of teaching and learning at the school,*
- *Support the recruitment and retention of a high quality teacher workforce,*
- *Enable the school to recognise and reward teachers appropriately for their contribution to the school,*
- *Help ensure that decisions on pay are managed in a fair, just and transparent way.*

This policy does not address every situation covered by the School Teachers' Pay and Conditions Document (STPCD) and the governing body reserves its right as the 'relevant' body to exercise its responsibilities in accordance with other pay and conditions issues not covered by this pay policy.

Section A of this policy covers general policy statements. Section B details pay related decision making provisions for the different categories of staff employed in the school.

## **Section A**

### **Pay differentials**

Salaries assessed in accordance with this policy will take into account different levels of responsibility, other material differences between posts and any requirements of the STPCD or relevant local authority job evaluation scheme.

### **Staffing budget**

The amount of money allocated to implementing the school's pay policy will be determined at the beginning of each financial year through the budget allocation process of the school and will take into account normal pay progression. Any proposal to change the staffing structure will not be implemented without the prior approval of the governing body as informed by the views of the staffing and finance committees or equivalents.

### **Relationship with the School Workbook**

The governing body will ensure that any pay related decisions support and reflect the overall objectives identified in the School Workbook. Wherever possible, career progression and staff development will be taken into account.

### **Salary protection or safeguarding**

The governing body will ensure that salary protection or safeguarding arrangements are in place in accordance with the provisions of the STPCD or national or local collective agreements as appropriate. Employees in receipt of salary protection or safeguarding payments will be expected to undertake commensurate work.

### **Pensions**

The governing body will not increase the salary of any employee or use any other pay flexibilities in order to secure an improved pension entitlement on retirement. Such enhancements may be in breach of pension scheme legislation and may represent misuse of public funds. The governing body recognises that in such circumstances, a pension scheme may exercise their powers to use a notional salary for calculation of pension purposes and the DfE and/or local authority may exercise their powers to remove financial delegation.

### **Access to development opportunities**

The governing body believes that access to development opportunities should be made available to all staff, whether full or part time, permanent or fixed term, and will advertise their availability internally including details of any related pay enhancements.

### **Equalities**

It is the intention of the governing body that pay is awarded fairly, equitably and in support of the school's policy on equality.

In adopting and implementing this policy the governing body recognises its responsibilities under a range of legislation, including:

- Equality Act 2010

- Equal Pay Act 2010
- Employment Relations Act 2004
- Employment Rights Act 1996
- Employment Relations Act 1999
- Part Time Workers (Prevention of Unfavourable Treatment) Regulations 2000
- Fixed Term Employees (Prevention of Unfavourable Treatment) Regulations 2002
- Employment Act 2008.

Appropriate consideration will be given as to how the provisions of this pay policy will be applied where staff have been absent for long periods e.g. due to sickness or maternity leave.

### **Consultation arrangements**

To ensure that meaningful consultation can take place in establishing and reviewing the school's pay policy, the governing body will seek and consider the views of school staff prior to final adoption or amendment to this policy. A copy of the adopted pay policy will be available to staff.

### **Communication arrangements**

The governing body is committed to ensuring that all staff are aware of the school's pay policy and the reasons for pay related decisions are understood. Application of the school's pay policy will be undertaken as openly as possible. The salary details of individual members of staff shall remain confidential between them and the Headteacher although other parties may need to be privy to the information (e.g. the pay committee/and accredited external parties, such as trade union representatives and HR/payroll providers).

### **Initial determination of pay**

The governing body has overall responsibility for all pay matters but the pay committee and Headteacher pay committee (or equivalents) have full delegated powers to make decisions within the pay policy. The Headteacher may operate the pay policy on a day-to-day basis in line with boundaries set by the relevant committee.

### **Appeal against pay decisions**

An employee may appeal against any determination in relation to their pay or any other decision taken that affects their pay. Appeal arrangements are outlined at Annex 1.

### **Monitoring**

The governing body will monitor the outcomes and impact of this policy on a regular basis.

### **Pay reviews for Headteachers**

The governing body will ensure that the salary of the Headteacher is reviewed annually, with effect from 1 September and no later than 31 December each year, and that they are given a written statement setting out their salary and any other financial benefits to which they are entitled.

Reviews may take place at other times of the year to reflect any changes in circumstances or job description that lead to a change in the basis for calculating the Headteacher's pay. A written statement will be given after any review and where applicable will give information about the basis on which it was made.

Where a pay determination leads, or may lead, to the start of a period of safeguarding, the governing body will give the required notification as soon as possible and no later than one month after the date of the determination.

### **Pay reviews for teaching staff**

The governing body will ensure that each teacher's salary is reviewed annually, with effect from 1 September and no later than the 31<sup>st</sup> December each year, and that all teachers are given a written statement setting out their salary and any other financial benefits to which they are entitled.

As with the Headteacher, pay reviews may take place at other times of the year where circumstances change and the outcome of any such review will be confirmed in writing.

Where a pay determination leads, or may lead, to the start of a period of safeguarding, the governing body will give the required notification as soon as possible and no later than one month after the date of the determination.

### **Part-time teachers**

Teachers employed on a contract at the school who work less than a full working week are deemed to be part-time. Specific requirements are included in the STPCD for the determination of pay for part-time teachers. The STPCD states that a part-time teacher should be paid a proportion of a full-time salary equivalent to the proportion of time they work against the school's timetabled teaching week (STTW). The STTW refers to the school session hours that are timetabled for teaching, including PPA time and other non-contact time but excluding break times, registration and assemblies. The governing body requires that the salaries of part-time teachers are calculated in line with the example given in the STPCD (main document and guidance).

### **Short notice/supply teachers**

Teachers who work on a day-to-day or other short notice basis will be paid in accordance with the statutory pay arrangements in the same way as other teachers.

Such teachers will have their pay assessed as an annual amount. Payment will then be based on that annual amount divided by one hundred and ninety five for each full day worked. The maximum number of hours a supply teacher can be paid for on any one day is six and a half. Teachers who work less than a full day will have their payment based on an hourly rate calculated from their annual amount divided by 195 and then divided by 6.5.

These arrangements apply only to teachers employed directly by the school on a day-to-day or other short notice basis and pay arrangements will be confirmed with the teacher before the placement starts. Agency workers will be covered by the pay arrangements determined by their employing agency.

## Section B

### **Leadership Group pay - for appointments made or Headteacher groups reviewed after 1<sup>st</sup> September 2014**

Salaries for members of the leadership group will be assessed:

- on appointment to the school
- annually, to take effect from 1 September
- upon any adjustment to the Headteacher group or pay range
- at any other time provided for within the STPCD.

#### ***Stage 1 - defining the role and determining the Headteacher group***

For any leadership post, the governing body will define the role, responsibilities and accountabilities, as well as the skills and relevant competences required.

Members of the leadership group are paid within the statutory pay range for such employees as detailed in the STPCD.

The school will assign a Headteacher group in respect of any Headteacher posts. This will be done by calculating the total unit score in accordance with the STPCD. This group will be reviewed whenever the governing body deems it necessary.

For other leadership group posts, consideration will be given to how the role fits within the wider leadership structure of the school.

The Governing Body has determined the Headteacher group of West Winch Primary School to be Group 3 (L11 to L24).

#### ***Stage 2 - setting the indicative pay range***

In determining the leadership pay ranges, all the permanent responsibilities of the roles, any challenges that are specific to the roles and all other relevant considerations have been taken into account.

The Headteacher's individual pay range will not normally exceed the maximum of the Headteacher group, however, the governing body may determine that circumstances specific to the role or candidate warrant a higher than normal payment.

The maximum of the Deputy Headteacher's pay range will not exceed the maximum of the Headteacher group for the school and will only overlap the Headteacher's pay range in exceptional circumstances.

The governing body has set indicative pay ranges as follows:

- Headteacher **L11 to L24**
- Deputy Headteacher **L1 to L10**

### ***Stage 3 - setting the starting salary and individual pay range***

New members of the leadership group will normally be appointed to the indicative pay range for the role as above.

The governing body will ensure, on appointment, that there is appropriate scope within an individual's pay range to allow for performance related progress over time.

The maximum of the Headteacher's pay range and any additional payments made (in total) will not exceed the maximum of the Headteacher group by more than 25% unless in exceptional circumstances and where supported by a business case as required by the STPCD.

The minimum a Headteacher can be paid is the statutory minimum of Group 1 in accordance with the STPCD. This equates to point 6 on the ESOPS (2017) scale.

### ***Pay progression for leaders***

Performance objectives will be set annually with the Headteacher and any Deputy Headteacher in accordance with the Performance Management Policy.

There shall be no further progression up the pay spine unless:

- where the Headteacher or Deputy Headteacher is not subject to the 2011 Regulations or the 2012 Regulations, an appraisal has been carried out and there has been a sustained high quality of performance having regard to the objectives set.
- where the Headteacher or Deputy Headteacher is subject to the 2011 Regulations or the 2012 Regulations, there has been a sustained high quality of performance having regard to the results of the most recent appraisal carried out in accordance with those regulations.

Pay progression decisions will be clearly attributable to the performance of the individual. Sustained high quality of performance, having regard to the results of the most recent appraisal, should give the individual an expectation of progression within their pay range where there is scope for such progression.

Where a higher Headteacher group is set, any performance points or progression for the previous year will be added to the lower salary amount before that salary is assimilated to the higher range.

In relation to the setting and review of performance objectives, the governing body will be advised by an external adviser.

### **Main pay range for qualified teachers**

#### ***Determination of salary on appointment***

The governing body has adopted a six point main pay scale, which begins at the minimum of the pay range, ends at point 6b.

On appointment, points on this pay scale will be awarded as follows:

- qualified teachers will commence on at least the minimum point of the Main Pay Scale under Educator Solutions Optional Pay Scales (2017).
- for service up to 31 August 2013, one point will be awarded for each year of qualifying employment as defined by the STPCD including service in state schools in the EEA outside of England and Wales (such as Scotland) on their return to England and Wales.
- for service from 1 September 2013, the school will take into account the teacher's current salary and decide whether to award any additional points.
- the school will consider the awarding of points on appointment on a case by case basis, having regard to equal opportunities, fairness and transparency.

### ***Consideration of existing salary on appointment***

The governing body has determined that it will recognise existing salaries when making a new appointment.

### ***Salary progression on the main pay scale***

In accordance with the school's Performance Management Policy, the governing body shall require the Headteacher to agree performance criteria annually with each teacher and review performance against those criteria.

**There will be no movement up the pay range** unless there has been a sustained high quality performance by the teacher in the light of the performance criteria previously agreed (which will include targets for pupil attainment and progression across each academic year) between the governing body and the teacher - and as evidenced by a successful performance management review.

The governing body will award movement up the pay range by one reference point as part of any pay review with reference to the teacher's appraisal reports and the pay recommendations they contain.

## **Upper pay range**

### ***Pay levels***

The governing body has adopted an upper pay scale that consists of the minimum and maximum values of the upper pay range plus one reference point as set out under the Educator Solutions Optional Pay Scales (2017) (see Annex 4).

### ***Application process***

A qualified teacher may apply once in any school year to the governing body for assessment to access the upper pay range. Applicants should have been at the maximum of the main pay range for one year before applying. Whether the school uses point 6a or point 6b as the maximum is irrelevant for the purposes of application for upper pay range. Provided the teacher has been on either point 6a or point 6b for one year, they are entitled to apply.

The governing body has delegated the receipt and assessment of any applications to the Headteacher.

The application must contain a summary of the evidence the teacher wishes to rely on in order to demonstrate that their performance merits access to the upper pay range and must include evidence of the two most recent, successful appraisal outcomes. See Annex 6 for a model version of the process.

Having considered the evidence in the application and any other evidence considered appropriate, the Headteacher will determine whether the applicant can progress to the upper pay range. The Headteacher will need to be satisfied that:

- the teacher is highly competent in all elements of the relevant standards, and
- their achievements and contribution to the school are substantial and sustained.

If successful, the teacher will be placed on the lowest point of the upper pay range from the 1 September following the date of application.

### ***Salary progression on the upper pay scale***

In accordance with the school's Performance Management Policy, the Headteacher will agree performance criteria annually with the teacher and review performance against those criteria.

**There will not be any movement up the pay range** unless there has been a sustained high quality performance by the teacher in the light of the performance criteria (which will include targets for pupil attainment and progression across each academic year) previously agreed. The governing body may decide to award movement up the pay range by one reference point as part of any pay review with reference to the teacher's most recent, successful appraisal report and the pay recommendations they contain.

Only in exceptional circumstances will progression on the upper pay range occur at intervals of less than two years.

### **Discretionary allowances and payments**

#### ***Teaching and learning responsibility payments (TLRs)***

TLR2 and TLR3 will be awarded to the posts indicated in the staffing structure (Annex 3) as determined by the governing body.

Teachers in these identified posts will undertake duties that include significant responsibilities that:

- is focused on teaching and learning
- requires the exercise of a teacher's professional skills and judgement
- requires the teacher to lead, manage and develop a subject or curriculum area, or to lead and manage pupil development across the curriculum
- has an impact on the educational progress of pupils other than in the teacher's assigned classes or groups of pupils
- involves leading, developing and enhancing the teaching practice of other staff.

A TLR3 may be awarded by the governing body for specific, time limited school improvement projects or a one off, externally driven responsibility. The value, duration and specific responsibilities of any TLR3 awarded will be made clear, in writing, at the outset of the arrangement in accordance with the STPCD. Salary safeguarding arrangements will not apply when TLR3 arrangements cease.

TLR payment amounts are set by the governing body within a minimum and maximum amount set by the STPCD.

### **Acting allowances**

Where a teacher is assigned and carries out the duties of a Headteacher or Deputy Headteacher, but has not been appointed in an acting capacity, the governing body shall, within four weeks, determine whether or not an allowance should be paid in accordance with the provisions of the STPCD.

### **Pay increases arising from changes to the STPCD**

All teachers are paid in accordance with the statutory provisions of the STPCD as updated from time to time. In respect of annual cost of living increases,

The governing body will apply the nationally agreed amount to basic pay and any TLR and SEN allowances in payment across the body, effectively maintaining salary rates in line with Educator Solutions Optional Pay Scales.

### **Support staff**

Salaries for support staff are determined in accordance with nationally or locally agreed conditions of service.

The grades and salaries for support staff in this school are determined in accordance with Norfolk County Council's Modern Reward Strategy local agreement and subsequent related local or collective agreements (other than where exceptions apply). Arrangements for grading, salary progression and cost of living increases are all covered by those agreements.

The salaries of all support staff will normally be assessed:

- on appointment to the school
- annually to take effect from 1<sup>st</sup> July
- upon an appropriate request by the post holder
- at any other time deemed appropriate by the governing body.

This assessment will be determined by the following criteria:

- responsibilities of the post and within the MRS framework
- performance of the post holder in accordance with previously agreed objectives and the relationship between the outcome and the scheme for progression (i.e. annual increments within the grade)
- in accordance with any career progression scheme for support staff in use at the school.

### **Data Protection**

The school has in place arrangements with its payroll provider to ensure that it has measures to safely and securely process employees' personal data. In particular, data collected during the payroll process is held securely and accessed by, and disclosed to, individuals only for the purposes of paying you in accordance with your employment contract. Inappropriate access or disclosure of employee data constitutes a data breach and should be reported in accordance with the school's data protection policy immediately. It may also constitute a disciplinary offence, which will be dealt with under the school disciplinary procedure.

## Annex 1

### Pay and performance management appeal procedure

An employee may appeal against any determination or proposed determination in relation to their pay or performance management.

Possible grounds for appeal are that the person or committee that made the decision:

In the case of teachers:

- incorrectly applied a provision of the STPCD
- failed to have proper regard for the relevant statutory guidance
- failed to take account of relevant evidence
- took account of irrelevant or inaccurate evidence
- failed to apply the school's pay policy
- was biased, or
- otherwise unlawfully discriminated against the teacher.

In the case of support staff:

- has applied the job evaluation scheme incorrectly
- has not taken into account all relevant information when grading the job
- referred to incorrect or out of date information when grading the job
- failed to apply the school's pay policy
- was biased
- otherwise unlawfully discriminated against the member of support staff

All decisions on teacher pay are made by the governing body and appeals should be heard through the Pay appeal procedure in Annex 2.

For support staff, where the school is bound by, or has adopted, Norfolk County Council's Modern Reward Strategy, decisions on grading are taken by the County Council. In those cases, where an employee wishes to appeal against the allocated grade, they should follow the appeal arrangements within the Modern Reward Strategy. The school will facilitate wherever possible.

For support staff, where the school is not bound by Norfolk County Council's Modern Reward Strategy and has determined to adopt alternative arrangements, all appeals will be heard through the Pay appeals procedure at Annex 2(b).

For appeals against pay progression decisions within an agreed grade or range, the following arrangements will apply:

- the member of staff receives written confirmation of the pay determination and, where applicable, the basis on which the decision was made
- if the member of staff is not satisfied, they seek to resolve this by discussing the matter informally with the decision maker within 10 working days of the decision

- where this is not possible, or where the member of staff continues to be dissatisfied, they may follow a formal procedure as set out below
- the member of staff puts in writing their reasons for appeal. This should be sent to the person or committee that made the determination within 10 working days of the notification of the decision, or within 10 working days of the informal discussions that attempted to resolve the matter.
- the person or committee who made the determination should provide a hearing within 10 working days of receipt of the written grounds for questioning the pay decision to consider this. The member of staff must be given an opportunity to make representations in person and will be entitled to be accompanied by a colleague or trade union representative. Following the hearing, the member of staff should be informed in writing of the hearing's decision and the right of appeal
- any appeal should be heard by a pay appeals committee composed of three governors who were not involved in the original determination, normally within twenty working days of the receipt of the written appeal notification. At the hearing, the member of staff lodging the appeal should be given the opportunity to make representation in person and to be entitled to be accompanied by a friend or trade union representative
- a designated member of the appropriate pay committee (or where the decision was made by the Headteacher, the Headteacher) will present evidence to support the original decision
- both parties may call witnesses
- relevant papers will be exchanged by the parties no later than three working days before the hearing
- the pay appeals committee will deliberate in private and will communicate their decisions to all parties in writing within 48 hours.

The decisions of the governing body's pay appeals committee are final and there is no recourse to the staff grievance procedures.

Such appeals relate only to decisions made by the governing body and not to any determination made under changes to pay and conditions by accredited third parties.

Each step and action of this process should be taken without unreasonable delay. The timing and locations of the formal meetings must be reasonable and allow both parties to explain their cases.

The detailed procedure for the hearing of the appeal is set out in Annex 2 to the school's pay policy.

## Annex 6 – Upper pay scale – model application process

An application to access the upper pay range can be made if the conditions in the school's pay policy section on salary progression to the upper pay range are satisfied and it can be demonstrated that:

- The applicant is highly competent in all elements of the relevant standards, and
- The applicant's achievements and contribution to the school are substantial and sustained, beyond that expected of a classroom teacher on the main pay scale.

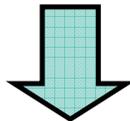

Applicant to discuss the process with their appraiser and/or the Headteacher, either during the appraisal review or at another agreed time.

Before 30th June, the applicant should submit a letter of application to the Headteacher, outlining their wish to move to the upper pay range, with a written summary of evidence (as described in the school's pay policy) and evidence of their two most recent, successful appraisal outcomes.

The evidence should outline how the relevant standards are demonstrated in the teacher's practice.

In consultation with the Headteacher, the applicant should then arrange to discuss and present the evidence demonstrating how the appropriate standards are met.

Within two weeks of this meeting the applicant will be informed whether their application is successful (with feedback available on request).
