

West Winch Primary School

Homework Guidance

Year 2

Department for
Education

Recommended homework content: "Reading, spellings, other English work and maths work, with occasional assignments in other subjects."

Subject	Pupil Activity	Parent/Carer Role	Time Allocation
English	Read their reading book, brought home regularly. Learn their spellings each week – sent home on a Monday. Carry out a specific piece of literacy work	Listen to your child read their books. Discuss the contents of their books, asking relevant questions to ensure full understanding. Help your child learn their spellings, ensuring that they know what the words mean. Support your child where necessary.	15 minutes per week. 15 minutes per week. 20 minutes per week.
Maths	To practise maths skills specified by the class teacher (usually in the form of games or puzzles). Carry out a specific piece of maths work.	Support and participate in this activity. Support your child where necessary. Mark and explain the work to your child to make this activity meaningful.	15 minutes per week. 20 minutes per week.
Topic Work	To carry out a set activity/piece of work related to another area of the curriculum.	This may require your child to research information from both the library and other sources.	Approximately 25 minutes, as required.
